YES is a faith-based Christian organization which exists to enrich the lives of at-risk children. YES supports inner-city families by providing daily care for their children. We provide programs such as tutoring, Bible classes, summer camp, basketball league, college scholarships and other recreational and cultural activities to low-income children. Our programs are offered after school, on weekends, and all day during the summer. Over 600 children, ages 6-18, are served annually at our three youth centers.
